ZACC Exhibition Information

About Us

The Zootown Arts Community Center offers a collectively run gallery and three smaller exhibition spaces in which an applying artist may hold an independent show. The main goal of this program is to allow the exhibiting artist to use the ZACC as a platform to obtain positive development and increase professionalism in their artistic endeavors. The artist will gain gallery operation/installation skills and troubleshoot in hanging their own artworks and personal promotion.

About the Gallery

The ZACC DO-IT-YOURSELF Gallery is a 1,500 square-foot, multi-use room that also serves as a ZACC classroom, large meeting room, and performance space. Exhibits change monthly. Please visit our website for additional information at www.zootownarts.org/index.php/zacc/gallery/.

Additional Exhibition Opportunities

In addition to the ZACC DO-IT-YOURSELF Gallery, Zootown features two smaller exhibition spaces that are perfect for first-time exhibitors or small bodies of work. The **Hallways Gallery** and the **PYOP Gallery** are intimate spaces adjacent to the ZACC Shop and feature high visibility for the exhibiting artist.
